- An American school accredited as a U.S. School of Osteopathic Medicine.
Please check the medical council of Canada website for all details <https://www.mcc.ca>

Course Description:

'The MCCQE II / NAC-OSCE SMART Recipe' guides candidates pursuing medical licensure in Canada to the best robust pathway for achieving their desired end goal i.e. SUCCESS in their exams with a high passing score.

The 40 hours of online live webinars and unlimited access to an audiovisual library of video recorded lectures for 12 weeks provide valuable, unbiased, evidence-based, theoretical and practical understanding of the clinical cases encountered in the diverse therapeutic areas of medicine including Cardiovascular system, Central Nervous System, Counselling, Endocrinology, Ethics, Emergency Room, Hematology, Gastroenterology, General Surgery, Musculoskeletal System, Obstetrics and Gynaecology, Paediatrics, Psychiatry, Respiriology, and Trauma.

Edge Plus members, through their 60 hours of in-class sessions, will have supervised practice on our standardized Canadian patients and rehearse on the most common Post Encounter Probe (PEP) questions. Edge Plus members will be vigorously and intensely prepared to master **MCCQE Part II and NAC-OSCE** clinical cases. Our candidates will be ready for their exam day as every day at Edge Plus will be a simulated exam day.

Learning Outcomes:

- Acquire knowledge, skills and abilities covering the CanMEDS (Canadian Medical Education Directives for Specialists) framework.
- Provide the CanMEDS Roles: Medical Expert (the integrating role), Communicator, Collaborator, Leader, Health Advocate, Scholar, and Professional.
- Properly assess and evaluate patient for diagnosis and apply knowledge and skills to the following dimensions of medical care: health promotion and illness prevention, acute care, chronic care, and psychological aspects.
- Establish the legal requirements of practice, demonstrate professionalism and uphold professional standards of practice and codes of ethics & policies.

“The MCCQE II / NAC-OSCE SMART Recipe” is a comprehensive course that prepares the mindset of candidate to the integrated knowledge and practical stage of the LMCC examination process i.e. MCCQE II and the NAC-OSCE exam.
