

Non-Discriminatory Admissions Policy

Policy Statement: October 6 University is committed to fostering a diverse and inclusive academic community. The university strictly prohibits discrimination in its admissions process and is dedicated to ensuring that all applicants are evaluated based on their qualifications, potential, and merit. Furthermore, October 6 University acknowledges the importance of diversity and may employ positive discrimination policies to advance specific equity and inclusion goals.

Policy Details:

1. Scope:

- This policy applies to all admissions processes at [University Name], including undergraduate and graduate programs, as well as any other academic or professional programs offered by the university.

2. Non-Discrimination:

- October 6 University strictly prohibits discrimination in admissions on the basis of race, colour, religion, national origin, gender, sexual orientation, age, disability, or any other protected characteristic.

3. Positive Discrimination Policy Transparency:

- October 6 University is committed to transparency in its admissions process. If the university employs positive discrimination policies, it will publicly detail and explain the rationale and goals for such policies, including their alignment with diversity, equity, and inclusion objectives.

4. Merit-Based Evaluation:

- The university evaluates applicants based on their academic achievements, standardized test scores, extracurricular activities, and any other relevant qualifications, ensuring that merit remains a fundamental consideration in the admissions process.

5. Equity and Inclusion Goals:

- In cases where positive discrimination policies are employed, October 6 University will clearly outline the specific equity and inclusion goals the policy aims to address, such as increasing representation of underrepresented groups.

6. Outreach and Support:

- The university actively engages in outreach and support programs to encourage underrepresented and disadvantaged groups to apply to its academic programs.

7. Compliance with Legal Requirements:

- October 6 University will ensure that all admissions policies and practices are in compliance with applicable federal, state, and local laws, including affirmative action requirements.

Implementation Date: This Non-Discriminatory Admissions Policy will go into effect on [1996].

Review and Revision: This policy will be periodically reviewed to ensure its effectiveness and alignment with the university's commitment to non-discrimination and diversity. Review in 2022
