

Final Exams Schedule  
Fall 2025

Day	Date	Level 1		Level 2		Level 3		Level 4		Level 5	
		12:00-2:00 PM		09:00-11:00 Am		09:00-11:00 Am		12:00-2:00 PM		09:00-11:00 Am	
Thursday	25/12/2025	3:00Pm		Physiology		Biochemistry II		Pharmacology III			
		Information Technology	Professional Ethics	Biostatistics		Medical Microbiology		Drug Design			
			Mathematics	First Aid							
Sunday	28/12/2025	Organic Chemistry I		Organic Chemistry III						Clinical Pharmacy I	
										Endocrine & Renal Disorders	
										Applied Therapeutics	
Monday	29/12/2025					Phytochemistry I		Medicinal Chemistry II			
								Drug & Poison Information			
Tuesday	30/12/2025	Medicinal Plants		Pharmacognosy II						9:00Am	3:00Pm
										Environmental Microbiology	Gene Regulation
Wednesday	31/12/2025					Pharmaceutics III		Pharmaceutical Technology I			
								Industrial Pharmacy 1			
						Pharmaceutics IV		Hospital Pharmacy			
Thursday	1/1/2026	Analytical Chemistry I		Analytical Chemistry III						Pharmaceutical technology II	
				Analytical Chemistry (2)						Industrial Pharmacy 2	
				General Microbiology						Oncological Diseases & Radiopharmacy	
Sunday	4/1/2026	Pharmacy Orientation		Pharmaceutics I							
Monday	5/1/2026					Pharmacology I		Clinical Biochemistry		Biotechnology	
										Gastrointestinal Diseases	
						Pharmacology II				Drug Interaction	
Tuesday	6/1/2026										
Wednesday	7/1/2026										
Thursday	8/1/2026										
Sunday	11/1/2026	Anatomy & Histology		Pathophysiology						Pharmaceutical Quality Control (PharmD), (CH)	
				Physiology and Pathophysiology						Clinical Research, Pharmacoepidemiology	
										Neuropsychiatric Diseases	
										En. Microbiology (CH)	
										Dermatological Diseases	
Monday	12/1/2026					Pharmaceutical Microbiology		basic and clinical Toxicology			
								Advanced Drug Delivery Systems (CL)			
						Medicinal Chemistry I					
						Pharmaceutical chemistry 1					
Tuesday	13/1/2026	Medical Terminology								Phytotherapy & Herbal Medicine	
										Biological Standardization	
Wednesday	14/1/2026			Scientific writing (PharmD.)		Scientific writing (CL)					
				Basic Pharmacology							
Thursday	15/1/2026					Applied Analysis		Applied Analysis		Critical Care Patients	
						Good pharmacy practice		Good pharmacy practice		Drug Marketing	
						Cosmetics and Cosmeceutical		Cosmetics and Cosmeceutical		Cosmetics	
								(CL)		Pediatric Diseases	
Sunday	18/01/2026					Parasitology		Applied Pharmacognosy			
								Clinical Pharmacy Practice			
								Community Pharmacy Practice			
								Chromatography			
								Pharmaceutical chemistry 2
