Activity Name: Honoring by the Dean of the Faculty of Education for a member of parliament with disabilities, Dr. Jihad Ibrahim

Activity Date: Sunday, December 22, 2024, at the VIP Hall at the University

Coordination: Faculty of Education

Under the patronage of: Prof. Dr. Mamdouh Ghorab, President of the University, Prof. Dr. Hesham Tamraz, Vice President of the University for Community Service and Environmental Development Affairs, Prof. Dr. Ruqayya Shalaby, Dean of the Faculty of Education

Activity Objective: In order to achieve the tenth goal of the Sustainable Development Goals, which is to reduce inequalities

Subject: The Faculty of Education at 6th of October University honored Dr. Jihad Ibrahim, a former member of the House of Representatives for people with disabilities, as an inspiring youth experience with disabilities who had a successful experience in the House of Representatives and sports, as a member of the university's training staff, and as a source of hope.

The conference invitation to honor came from Dr. Rukia Shalaby, Dean of the Faculty of Education, 6th of October University, and Minister Dr. Mamdouh Ghorab, President of 6th of October University and former Governor of Sharkia, to attend the 7th Annual International Conference of the Faculty of Education entitled The Distinguished Teacher and the Future of an Enlightened Generation in the Age of Artificial Intelligence. Her Excellency spoke about her personal experience in fighting the battle of life. Dr. Jihad Ibrahim obtained her doctorate from Ain Shams University, in addition to winning many sports championships in swimming to become the Egyptian champion in Paralympic swimming. Then she decided to be a human development trainer who organizes lectures, inspires young people and instills optimism in them. She completed this role by running for the House of Representatives, and without mediation, she was able, with the magic of hope that she plants wherever she goes, to be a member of parliament. She raised the voice of people of determination to officials, talked about their problems and shed light on them. It is worth noting that Dr. Jihad Ibrahim has received many different honors and awards in many Arab and local forums, as an ambassador of hope, a promoter of the future, and a defender of the rights of

people with disabilities with all her strength, so that the hope she inspires in everyone remains the hidden weapon with which she fights despair, bullying, and negativity.
